## Workshop Description:

Just getting your feet wet with Photoshop? This is the workshop for you. We'll take it slow and start from the beginning and before you know it you'll be editing, cropping, saving and organizing your photos like a pro. This workshop is design for the beginner and is perfect for photographers, scrap bookers or anyone else wanting to learn the wonders of the world's most powerful photo editing software.

## What we'll cover:

- Opening, Closing and Saving images
- Saving for the web, prints and email
- Resizing
- Cropping
- Sharpening

- Color Correction
  - Adding Text to a photo
  - Contrast adjustments
  - File Handling and Backup
  - Resizing your image for the best prints
  - Keywording and organizing your images for so you can find them again
  - Printing your images
  - And much more
- Plus Edward's 20-30 page (stuff is always added) workshop containing many of the techniques shown during the workshop.

Beauty Divide by Edward Mendes

About Edward Mendes

With almost 10 years as a working pro Edward's landscape images have been published in numerous publications and have won many awards. He is a two time Hasselblad Master Finalist including this year, the winner will be announced in 2010. Edward's work is represented by galleries across California and is in numerous private collections, his list of clients includes Kaiser Permanente and Microtek USA.
